

# Robyn Migliorini, Ph.D.

## CURRICULUM VITAE

---

### EDUCATION

- 2012 - 2017 **Ph.D. in Clinical Psychology, Neuropsychology Track**  
San Diego State University/University of California San Diego Joint Doctoral Program  
Clinical Internship: Harvard Medical School/Massachusetts General Hospital
- 2012 - 2014 **M.S. in Psychology**  
San Diego State University
- 2005 - 2009 **B.A. in Psychology and Philosophy**, magna cum laude  
Wellesley College

### PROFESSIONAL CREDENTIALS

- 2019 - present **Oregon Licensed Psychologist #3051**
- 2018 - present **Massachusetts Licensed Psychologist and Health Service Provider #10958**

### CLINICAL POSITIONS

- 2019 - present **Neuropsychologist and Clinic Director**  
Connected Cognition LLC, Bend OR  
Neuropsychological evaluation of adults; Cognitive behavioral therapy and cognitive rehabilitation; Telehealth services; Clinic administration.
- 2017 - 2019 **Postdoctoral Fellowship in Clinical Neuropsychology**  
Bedford VA Medical Center, Bedford MA  
Neuropsychological evaluation in outpatient, inpatient, residential, and telehealth clinics; Capacity evaluations; Cognitive rehabilitation; Telehealth clinic administration.  
Supervisors: Maureen K. O'Connor Psy.D. ABPP-CN, Malissa Kraft Psy.D. ABPP-CN
- 2016 - 2017 **Predoctoral Internship in Clinical Psychology, Neuropsychology Track**  
Harvard Medical School/Massachusetts General Hospital, Boston MA  
Outpatient neuropsychological evaluation of adults and adolescents; Pre-surgical evaluations; Cognitive behavioral therapy; Acute inpatient psychiatry.  
Track Director: Catherine Leveroni Ph.D. ABPP-CN
- 2015 - 2016 **Neuropsychology Practicum**  
VA San Diego Neuropsychological Assessment Unit, San Diego CA  
Supervisors: Mark Bondi Ph.D. ABPP-CN, Gregory Brown Ph.D. ABPP-CN, J. Vincent Filoteo Ph.D.
- 2015 - 2016 **Neuropsychology Practicum**  
Heaton Neuropsychology Laboratory, University of California San Diego, San Diego CA  
Supervisor: Robert K. Heaton Ph.D., ABPP-CN
- 2015 - 2016 **Clinical Supervision Practicum**  
San Diego State University Psychology Clinic, San Diego CA  
Supervisor: Michael Taylor Ph.D.
- 2014 - 2016 **Neuropsychology Practicum**  
Moores Cancer Center Brain Tumor Clinic, University of California San Diego

Supervisor: Carrie R. McDonald Ph.D. ABPP-CN

- 2014 - 2015    **Anxiety Disorders Practicum**  
VA San Diego Outpatient Anxiety Clinic, San Diego CA  
Supervisor: Emmanuel Espejo Ph.D.
- 2013 - 2014    **Psychology Practicum**  
San Diego State University Psychology Clinic, San Diego, CA  
Supervisors: Ariel Lang Ph.D. MPH and Nader Amir Ph.D.

## PUBLICATIONS

Obradovich, N. and **Migliorini, R.** (2018). Sleep and the human impacts of climate change. *Sleep Medicine Reviews*, 42, 1.

Obradovich, N., **Migliorini, R.**, Paulus, M. P., Rahwan, I. (2018). Empirical evidence of the mental health risks posed by climate change. *Proceedings of the National Academy of Sciences*, 115 (43), 10953-10958.

Nguyen-Louie, T. T., Courtney, K. E., Squeglia, L. M., Bagot, K., Ebersson, S., **Migliorini, R.**, Alcaraz, A. R., Tapert, S. F., & Pulido, C. (2018). Prospective changes in neural alcohol cue reactivity in at-risk adolescents. *Brain Imaging and Behavior*, 12(4), 931-941.

Obradovich, N., **Migliorini, R.**, Mednick, S. C., & Fowler, J. H. (2017). Nighttime temperature and human sleep loss in a changing climate. *Science Advances*, 3, e1601555.

Moore, E. M., Infante, M. A., **Migliorini, R.**, Mattson, S. N., & Riley, E. P. (2016). Pituitary lacks sexual dimorphism and displays reduced signal intensity on T1-weighted MRI in adolescents with histories of heavy prenatal alcohol exposure. *Neurotoxicology and Teratology*, 57, 106-111.

Infante, M. A., Moore, E. M., Bischoff-Grethe, A., **Migliorini, R.**, Mattson, S. N., & Riley, E. P. (2015). Atypical cortical gyrification in adolescents with histories of heavy prenatal alcohol exposure. *Brain Research*, 1624, 446-454.

**Migliorini, R.**, Moore, E. M., Glass, L., Infante, M. A., Tapert, S. F., Jones, K. L., Mattson, S. N., & Riley, E. P. (2015). Anterior cingulate cortex surface area relates to behavioral inhibition in adolescents with and without heavy prenatal alcohol exposure. *Behavioural Brain Research*, 292, 26-35.

Moore, E. M., **Migliorini, R.**, Infante, M. A., & Riley, E. P. (2014). Fetal alcohol spectrum disorders: Recent neuroimaging findings. *Current Developmental Disorders Reports*, 1, 161-172.

**Migliorini, R.**, Stewart, J. L., May, A. C., Tapert, S. F., & Paulus, M. P. (2013). What do you feel? Adolescent drug and alcohol users show altered brain response to pleasant interoceptive stimuli. *Drug and Alcohol Dependence*, 133, 661-668.

May, A. C., Stewart, J. L., **Migliorini, R.**, Tapert, S. F., & Paulus, M. P. (2013). Methamphetamine dependent individuals show attenuated brain response to pleasant interoceptive stimuli. *Drug and Alcohol Dependence*, 131, 238-246.

Mahmood, O. M., Goldenberg, D., Thayer, R., **Migliorini, R.**, Simmons, A. N., & Tapert, S. F. (2013). Adolescents' fMRI activation to a response inhibition task predicts future substance use. *Addictive Behaviors*, 38, 1435-1441.

Lucas, M., Koff, E., Grossmith, S., & **Migliorini, R.** (2011). Sexual orientation and shifts in preferences for a partner's body attributes in short-term versus long-term mating contexts. *Psychological Reports*, 108, 699-710.

Koff, E., Lucas, M., **Migliorini, R.**, & Grossmith, S. (2010). Women and body dissatisfaction: Does sexual orientation make a difference? *Body Image*, 7, 255-258.

## RESEARCH POSITIONS

- 2017 - 2019    **Telehealth Neuropsychology Clinic Program Evaluation**  
Bedford Veterans Affairs Medical Center
- 2012 - 2017    **Graduate Student Researcher**  
San Diego State University Center for Behavioral Teratology  
University of California San Diego Center on Interoceptive Dysregulation in Addiction
- 2010 - 2012    **Project Coordinator**  
University of California San Diego Center on Interoceptive Dysregulation in Addiction
- 2009 - 2010    **Research Associate**  
Stanford University Department of Psychiatry  
SRI International Neurosciences Division
- 2008 - 2009    **Research Assistant**  
Wellesley College Department of Psychology
- 2008            **Research Assistant**  
University of Oxford Social Psychology Laboratory

## TEACHING

- 2015            **Guest Lecturer**, Introduction to Research Methods in Psychology, San Diego State University  
2009            **Teaching Assistant**, Introductory Statistics, Wellesley College

## GRANTS AND FELLOWSHIPS

- 2019            Veterans Health Administration Innovators Network Investee (\$10,000)  
2012 - 2017    NSF Graduate Research Fellowship Program (Migliorini: DGE-1247398)  
2012 - 2014    NIAAA Institutional Training Grant Predoctoral Trainee (Riley: T32 AA013525)

## AWARDS AND HONORS

- 2019            Best Environmental Epidemiology Paper, International Society Environmental Epidemiology  
2014            Conference Travel Award, Fetal Alcohol Spectrum Disorders Study Group  
2014            Student Merit Award, Research Society on Alcoholism  
2013            Student Merit Award, Research Society on Alcoholism  
2009            Phi Beta Kappa Honor Society Inductee  
2009            Psi Chi Honor Society in Psychology Inductee  
2008            Center for Work and Service Summer Stipend, Wellesley College  
2006            First Year Distinction, Wellesley College

## CONFERENCE PRESENTATIONS

**Migliorini, R.** & O'Connor, M. K. (2019). Expanding Veterans' Access to Cognitive Skills and Healthy Aging Strategies. Poster presented at the VA New England (VISN 1) 6<sup>th</sup> Annual Improvement & Innovation Summit, Marlborough MA.

Kraft, M. & **Migliorini, R.** (2018). Enhancing the Quality of Teleneuropsychological Evaluations. Poster presented at the VA New England (VISN 1) 5<sup>th</sup> Annual Improvement & Innovation Summit, Marlborough, MA.

- Migliorini, R.**, May, A. M., Stewart, J. L., Paulus, M. P., & Tapert, S. F. (2017). Exaggerated Aversive Interoceptive Processing in Adolescent Substance Users: An Early Risk Factor for Addiction? Selected for oral presentation at the 45<sup>th</sup> meeting of the International Neuropsychological Society, New Orleans, LA.
- Migliorini, R.**, May, A. M., Stewart, J. L., Riley, E. P., Paulus, M. P., & Tapert, S. F. (2015). Interoceptive BOLD response is aberrant in sub-clinical adolescent substance users. Poster presented at the 38<sup>th</sup> meeting of the Research Society on Alcoholism, San Antonio, TX.
- Migliorini, R.**, Moore, E. M., Glass, L., Infante, M. A., Tapert, S. F., Jones, K. L., Mattson, S. N., & Riley, E. P. (2015). Anterior cingulate cortex structure relates to behavioral inhibition in children with and without heavy prenatal alcohol exposure. Selected for oral presentation at the 43<sup>rd</sup> meeting of the International Neuropsychological Society, Denver, CO.
- Glass, L., Moore, E. M., **Migliorini, R.**, Infante, M. A., Riley, E. P., & Mattson, S. N. (2015). Academic achievement in children with heavy prenatal alcohol exposure: Presence, prevalence, neural correlates. Selected for oral presentation at the 43<sup>rd</sup> meeting of the International Neuropsychological Society, Denver, CO.
- Migliorini, R.**, Moore, E. M., Infante, M. A., Glass, L., Mattson, S. N., & Riley, E. P. (2014). Neural correlates of behavioral inhibition in children with prenatal alcohol exposure: Caregiver-ratings versus neurocognitive performance. Poster presented at the 37<sup>th</sup> meeting of the Research Society on Alcoholism, Bellevue, WA. Selected for oral presentation at the Fetal Alcohol Spectrum Disorders Study Group, Bellevue, WA.
- Moore, E. M., Infante, M. A., **Migliorini, R.**, Bischoff-Grethe, A., Mattson, S. N., & Riley, E. P. (2014). Striatal volumes relate to cortical thickness in adolescents with histories of heavy prenatal alcohol exposure. Poster presented at the 37<sup>th</sup> meeting of the Research Society on Alcoholism, Bellevue, WA.
- Infante, M. A., Bischoff-Grethe, A., Moore, E. M., **Migliorini, R.**, Mattson, S. N., & Riley, E. P. (2014). Atypical cortical gyrification in adolescents with histories of heavy prenatal alcohol exposure. Poster presented at the 37<sup>th</sup> meeting of the Research Society on Alcoholism, Bellevue, WA.
- Migliorini, R.**, Moore, E. M., Glass, L., Tapert, S. F., Jones, K. L., Mattson, S. N., & Riley, E. P. (2013). Anterior cingulate cortex and inhibitory control in children with heavy prenatal alcohol exposure. Poster presented at the 36<sup>th</sup> meeting of the Research Society on Alcoholism, Orlando, FL.
- Moore, E. M., Infante, M. A., **Migliorini, R.**, Mattson, S. N., & Riley, E. P. (2013). Prenatal alcohol exposure and pituitary volume: Sex differences and relationship to caregiver rated behavior. Poster presented at the 36<sup>th</sup> meeting of the Research Society on Alcoholism, Orlando, FL.
- Paulus, M. P., Tapert, S. F., Stewart, J. L., May, A. C., & **Migliorini, R.** (2012). Evidence for altered interoceptive response to soft touch in adolescent and adult substance users. Presented at the 51<sup>st</sup> meeting of American College of Neuropsychopharmacology, Hollywood, FL.
- Paulus, M. P., May, A. C., **Migliorini, R.**, Stewart, J. L., & Tapert, S. F. (2012). Interoceptive dysregulation in drug addiction – evidence for attenuated processing of soft touch in adolescent and adult substance users. Presented at the Scientific Workshop on Pleasure and Pain: Relationships in Somatosensation and Nociception, Beaulieu, U.K.
- Migliorini, R.**, Stewart, J. L., May, A. C., Tapert, S. F., & Paulus, M. P. (2012). Adolescent substance users exhibit diminished interoceptive processing and elevated reward response to pleasant stimulation. Poster presented at the 74<sup>th</sup> meeting of the College on Problems of Drug Dependence, La Quinta, CA.
- May, A.C., Stewart, J. L., **Migliorini, R.**, Tapert, S. F., & Paulus, M. P. (2012). Methamphetamine dependent adults show attenuated brain response to pleasant interoceptive stimuli. Poster presented at the 74<sup>th</sup> meeting of the College on Problems of Drug Dependence, La Quinta, CA.
- Pulido, C., **Migliorini, R.**, Paulus, M. P., & Tapert, S. F. (2012). Adolescent BOLD response to drug cues relates

to substance craving. Presented at the 35<sup>th</sup> meeting of the Research Society on Alcoholism, San Francisco, CA.

Fama, R., Sassoon, S. A., Rosenbloom, M. J., **Migliorini, R.**, Pfefferbaum, A., & Sullivan, E. V. (2011). Visuomotor Procedural Learning in HIV Infection, Alcoholism, and Their Comorbidity. Poster presented at the 39<sup>th</sup> meeting of the International Neuropsychological Society, Boston MA.

#### INVITED TALKS

Migliorini, R. An interoceptive predisposition to addiction? Clinical versus subclinical substance use in adolescence. Departmental Seminar, University of Cape Town Psychology Department, South Africa. March 31, 2015.

#### PROFESSIONAL MEMBERSHIPS

International Neuropsychological Society  
Oregon Psychological Association  
Central Oregon Association of Psychologists
